

*Will you Marry me?*

***my name is javier.***

We will live in my lava house, play video games, and watch funny YouTube clips. I hope you decide soon because I only have a few years left to make you the happiest person in the world!

***saying yes gives hope!***

Javier has Duchenne Muscular Dystrophy (DMD). It has a 100% fatality rate. With a life expectancy of 18 to 20 years, Javier still has hope for his future. Keep that hope alive. By spreading awareness, we will raise the funds to find the cure!
